Transportation
Completed in 2019

ABOUT ME

I am a passionate and self-motivated web developer with a strong foundation in HTML, CSS, and JavaScript. Eager to contribute my technical skills and creative problem-solving abilities to a dynamic team. Although I don't have professional experience yet, I have dedicated significant time to a coding bootcamp and have completed online courses and personal projects that demonstrate my ability to design and develop user-friendly websites.

EXPERIENCE

Content Formatter - Dashing Media Inc.

09/2021 - 06/2023

- Converted articles from Word files into HTML and get them ready for publishing in WordPress.
- Researched images to locate appropriate photographs for use.
- Edited, toned, captioned and uploaded photographs for publication.
- Used image processing algorithms to reduce motion blur and enhance color, contrast and light range.

Photo Editor - lovedone.de

11/2020 - 06/2021

- Edited photographs and created stunning personalized images.
- Used Adobe Photoshop and Adobe Lightroom to crop, invert and control light and color properties of photos.
- Retouched skin blemishes and tattoos and removed unwanted images from objects.
- Printed photo images on canvases, calendars and phone cases to customize special orders for customers.

Maritime Apprenticeship - Premium Megastructures Inc.

11/2018 - 12/2019

- Maintained ship cleanliness and inspected safety equipment on board. Practiced with drills to develop timely response during emergencies.
